Dear Partner - About Portugal

The Portuguese Algarve, south of Portugal, is one of golf's newest international destinations. It all began with the vision of one man - Sir Henry Cotton. This world renowned golfer visited the area in the 1960s and envisioned a golf oasis that the rest of the world has discovered. Many Europeans vacation here, and now many Americans make the sojourn to find out what the rest of the world already knows. To sum it up in two words, the Algarve is simply a "golfer's heaven."

This spectacular destination has over 30 golf courses in the area including San Lorenzo, which is ranked # 3 in Continental Europe. Fly into Faro and you'll be within 30 minutes of some of the world's most outstanding golf courses and accommodations. There are many other activities to occupy the mind and spirit. You can stroll along the golden beaches of the Atlantic Ocean, sightsee at historical cathedrals and small villages, savor the excellent cuisine that is a trademark of this area, and just enjoy the warm hospitality of the Portuguese people.
